

Once upon a time in a
place called New York City

There was a boy named John.
(10)

John lived in a city with mom and
litter brother.

Life was perfect until one
day....

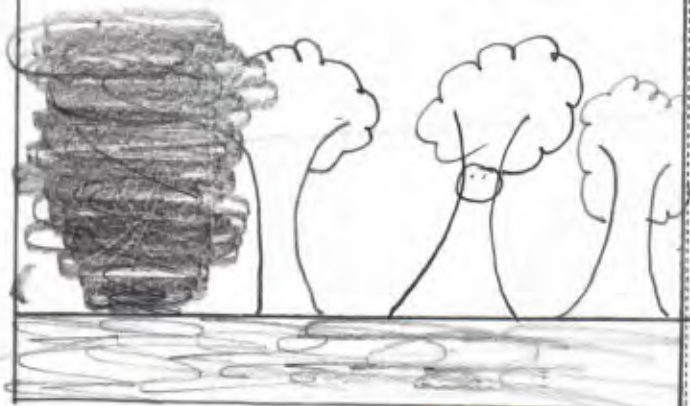

every day John watched TV all
day.

in summer a mysterious disaster struck. A tornado happened and it's close to the house.

All the neighbors went to there basement and also some

John you need to travel to place called Lidia and find mysterious creature named Yand only the creature can stop this disaster

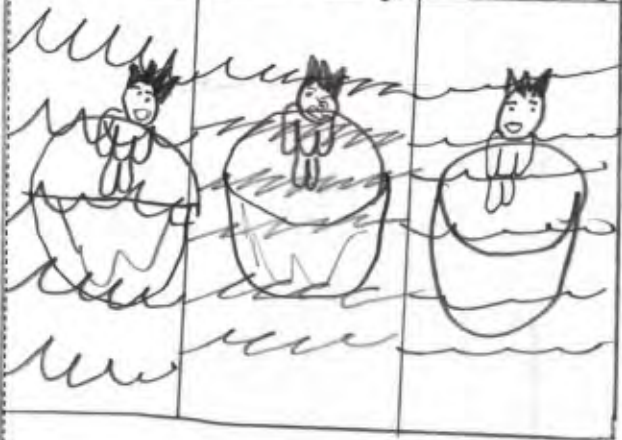

John travels to the strange place.

John had to go through a safer danger...

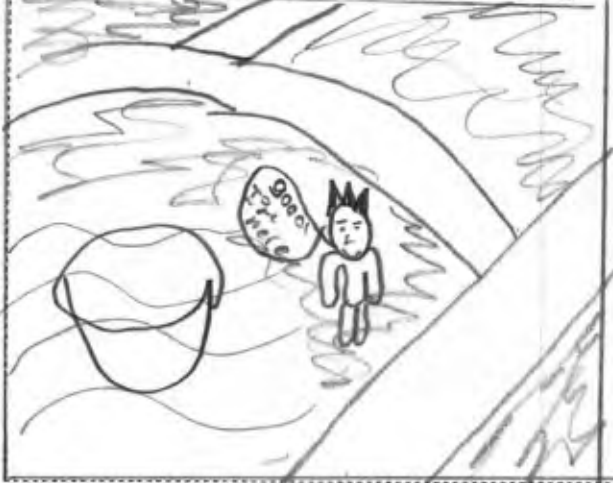

It took 3 hours to go there
1 hour 2 hours 3 hours

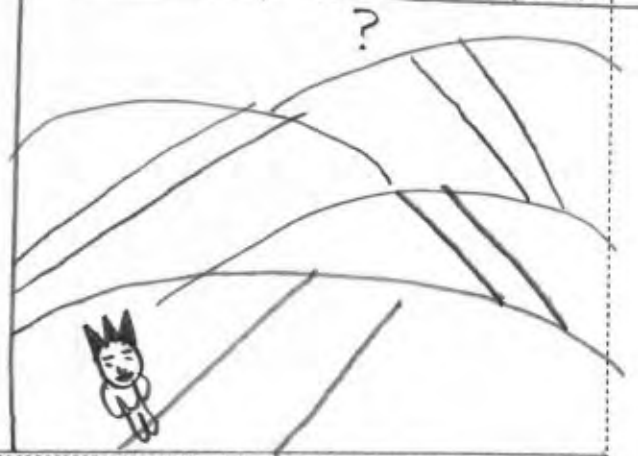

John felt a little scared

John finally arrived at the end

Suddenly John saw...

John meets the Creature.

leidas refuses by saying
I want stop.

John begs again by saying

leidas says it will help only if you
could answers its riddle

- an animal that is
- cut has big ears
- a Men's best
- friend and likes
- bones it has different
- colors
