One spring day it was HOT HOT HOT and then there was a heat wave

Bria's house

Ha Ha

Come on we have to get together

I'm scared what if it burns this is my favorite (ice)

Bria please listen carefully

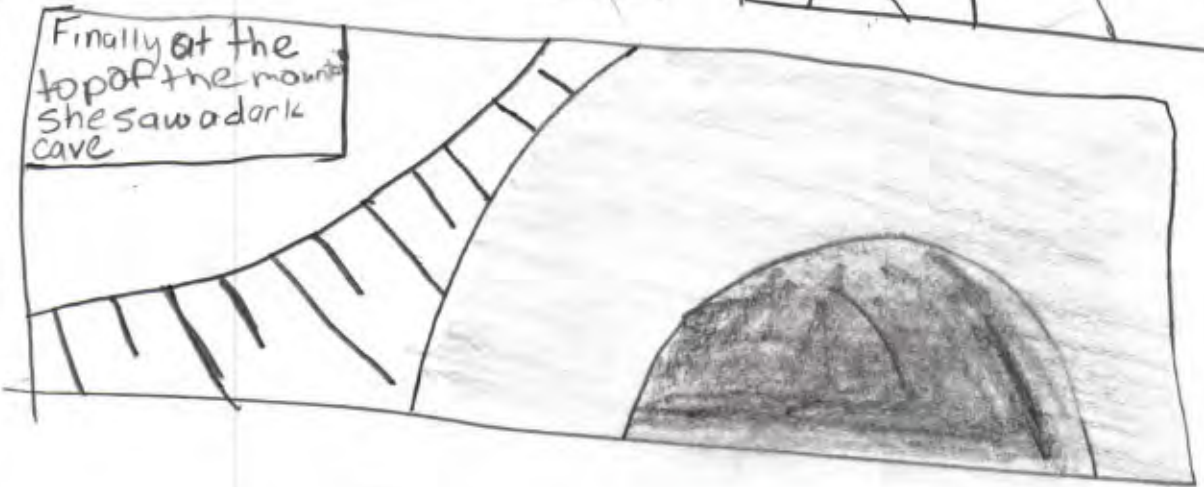

So this heat wave must be a surprise you must go to sugar for chills there you will find Queen Da fire Be careful there is many pooby traps

Now go get the find sunglasses and a cooler with big ice cubes can you do that

Mom I'll do it

Solve this:
"Red like
blood sleeps
on green sticks
that aren't pointy
only the one's on it
usually seen with a
lot of us
