

There once was a girl that lived on
a big place called Miami

The girl was named
Bella and she was
16 years old.

Bella lives on a
big house with
his mom and little
brother.

Every Monday and Wednesday
Bella would go play
basketball while her
mom and brother are at the
Park.

And every thing went good
until one day...

... On a nice summer day a mysterious disaster struck. out of nowhere a sudden tsunami

Bella's little brother crying because scared

OK so now she goes and starts her journey to see the monster??

She pass through Beaches nice Cool water.

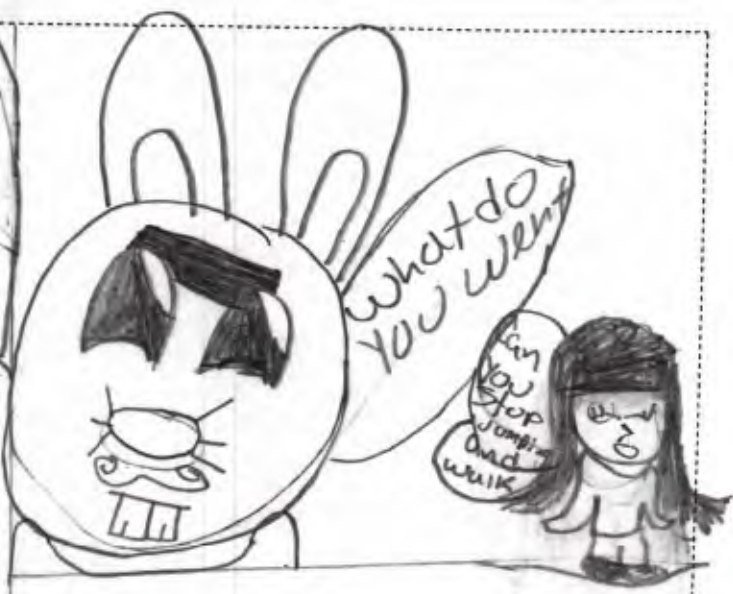

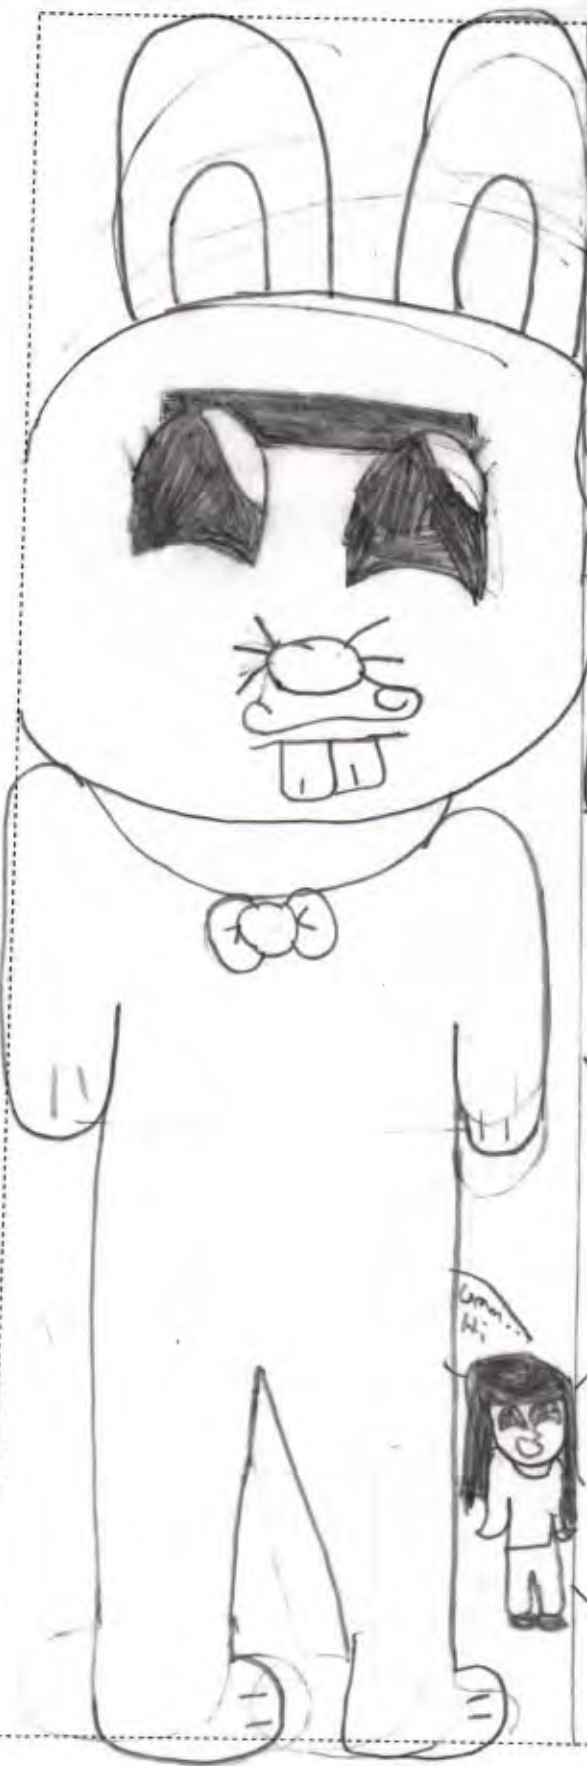

She went through forest.

Who are you?

But first
You have
to solve
my riddle
ok
and
then
I will
stop
