

The Adventure of LUFFY

A GRAPHIC NOVEL
BY

NICHOLAS PIRNIGRO

in the fall, a random
+ tsunami appeared a
mile away.

they had to guard
the pole.

Soba, Ace is
crying and what
can we do about it?

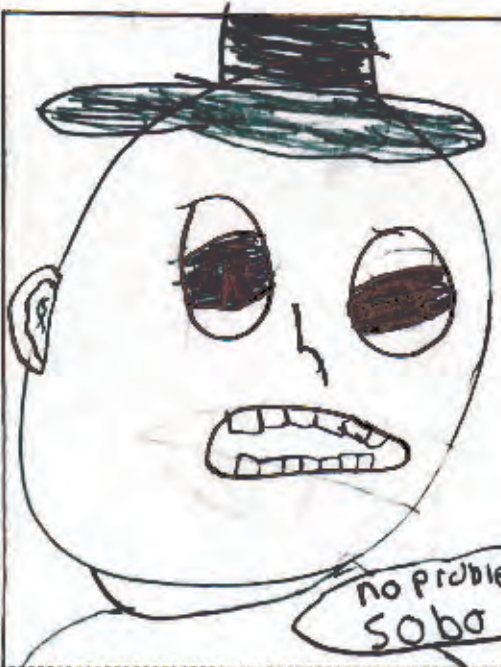

Luffy don't worry
I will
take
care of
Ace. But
there
is some
thing
I need to
say

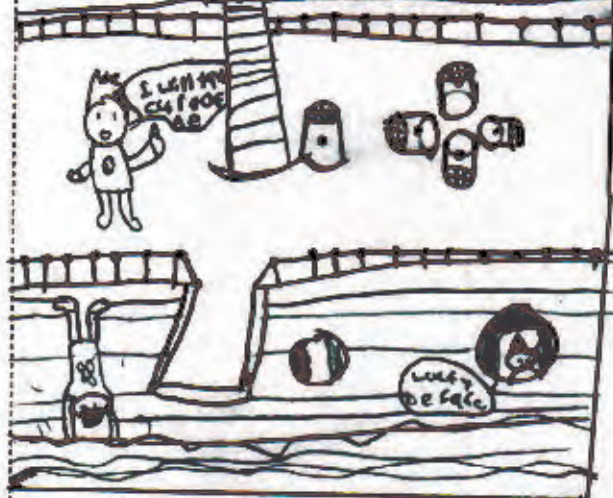

You have
to go
underwater
and there
this
creature
named
Fossil
is going
to hit
me can
anyone
help me
please

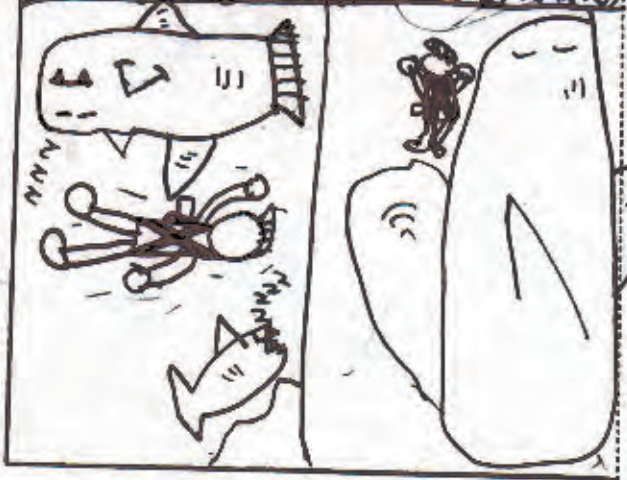

No problem
Soba

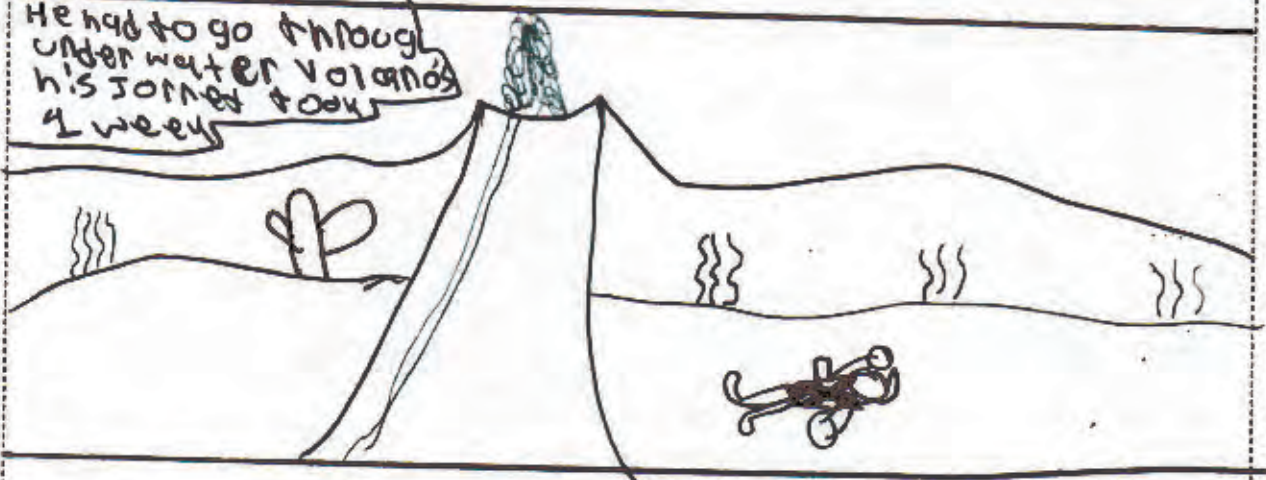

Lucey had to go deep in the water to find Posidoph while searching for...

He had to travel through sleeping sharks and whales.

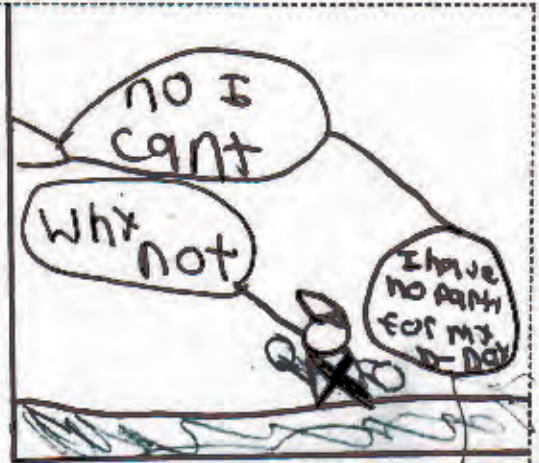

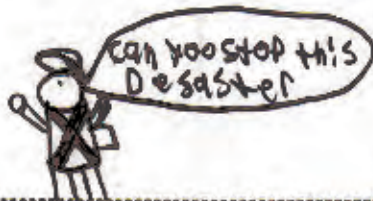

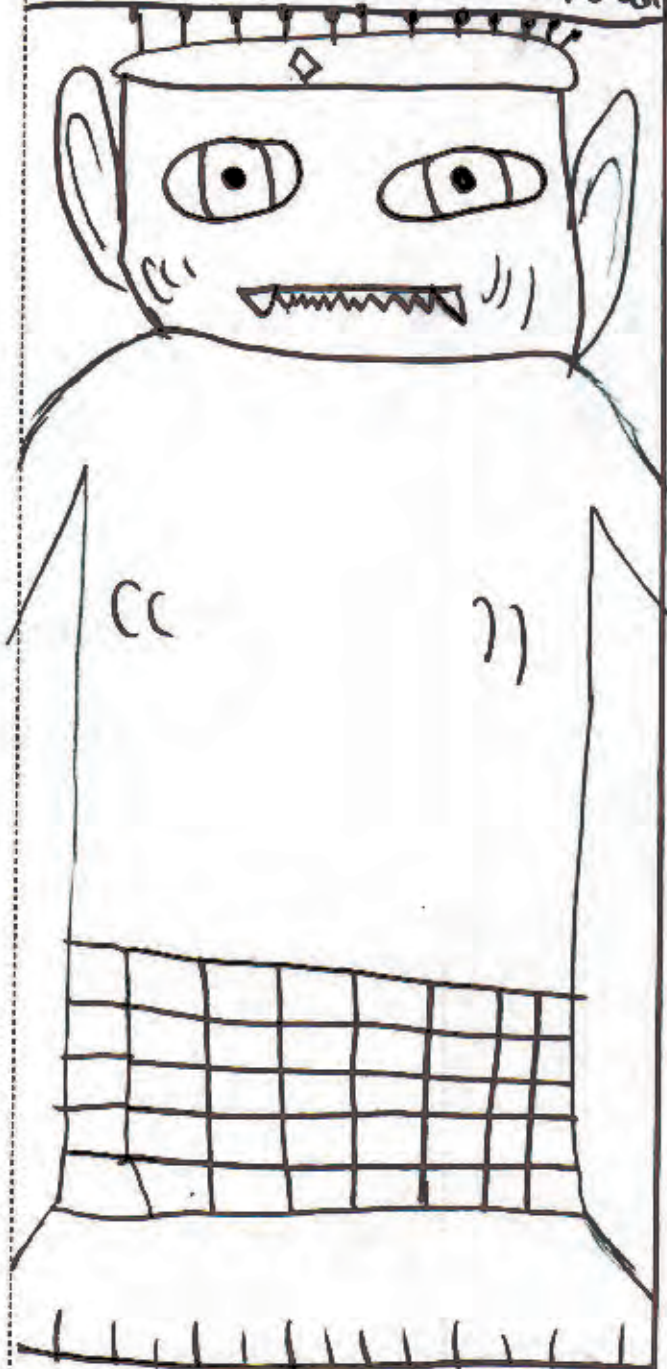

He had to go through underwater volcanoes his journey took 4 weeks.

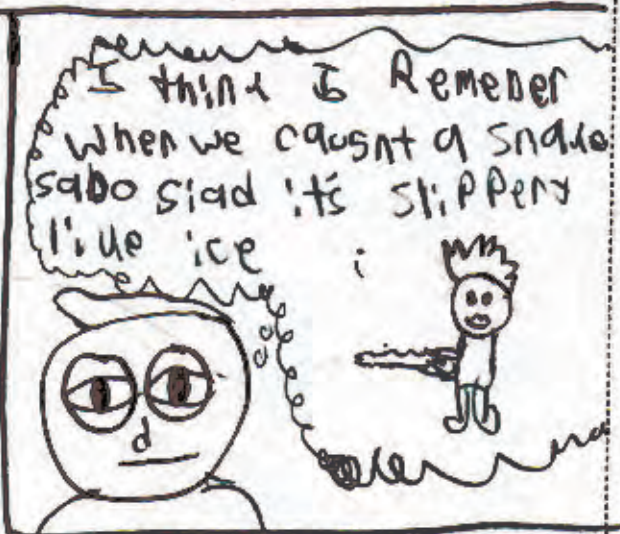

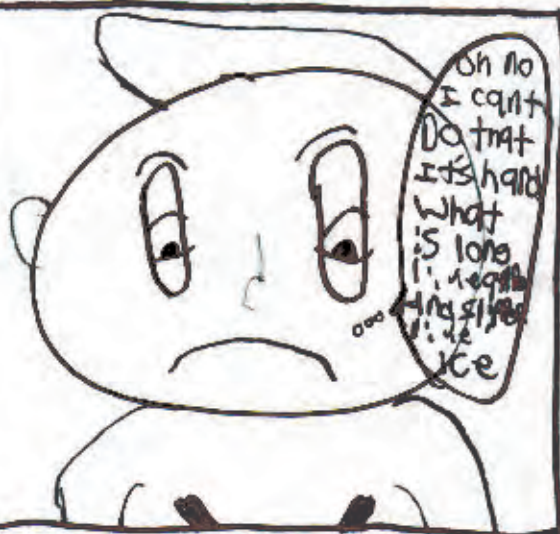

Until he got to the palace.

Sadly when he looked up he saw Pos:di in the sea god.

- He is slippery like ice long as
- a pipe has scales like dragons moves
- like a snail

Luffy says good
bye, so d'is posid'n

Bye, I'll
be waiting

We will
meet again

He can
his
name

Welcome
back

I haven't
will
die

Let's
go

so they
panty ed
