

Cracked

Disaster

once upon a time... The was a place
called New York...

There lived a boy
who was called
Rocky...

He always went
with golfing with
his uncles and sister Jecica
after school...

They lived in a grass
house where they sleep.

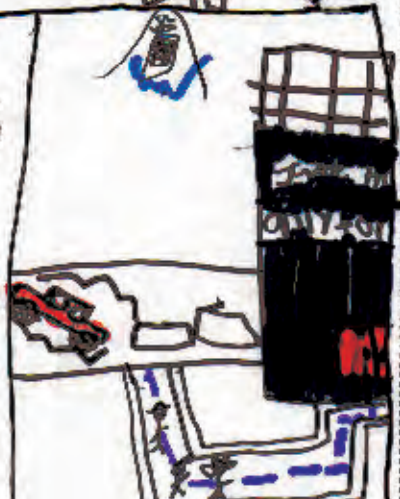

The ground was cracking
it's a earthquake, we have
to get to the cave house!

we have to get these
away

Let's go!

ROCKY!
STOP this
craziness,
you have to
go to the
Cave of
Stars and
find the
ground god.
ARE YOU
BRING enough
to go!!!

I'm sorry

Please stop!

Fine, but only if you solve this riddle.

I'm sorry but I can't stop humming so loud. I can't stop.

Oh ho

HERE YOU FROM
THE DARK,
THEN FLY WERE I
HERE FOR SOME
CHITCHING BUGS
ON THE GROUND

wait
a second

I remember
when a bat
came in my
house and a
bug in his mouth

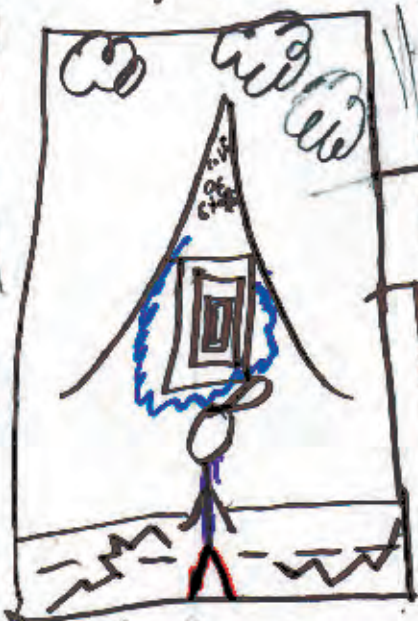

I know
its a
bat

Yes, it is a bat.
maybe I should
feed my pet
bat instead of
criticizing.
