

once upon a time
a place called vietnam

There was a
girl name
nowna age 16

Nowna lived with her mom, dad,
and little brother in a small
house.

Everyday, Nowna
cook, pick letters
& go to school

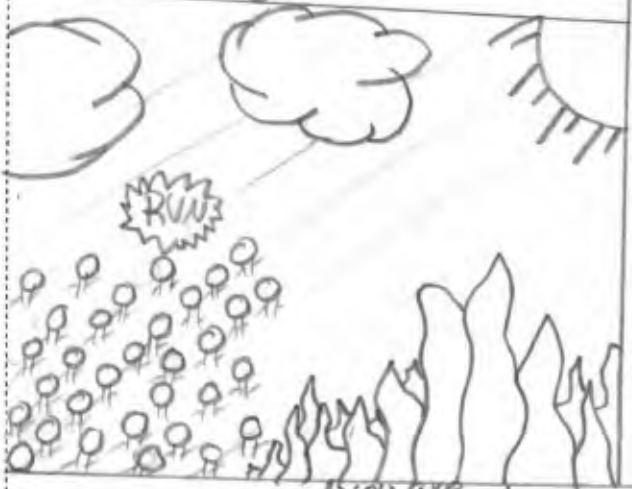

Life seem
perfect

But one day

in the summer
there was a
wildfire out in
vietnam from a
woman cooking
but cause a fire

All the neighbors scream on top
of their wings

Father!
what
should we
do?

I don't
want to
look

You are
going to
have to
follow the
red tulleps
In front
of our
house

And you
will see
a aban-
ed Temple
and will
see a
guardian
dragon

Yes
father
I will
go

Later on, she saved the tulips but still saw some fire ahead

on the trip, she was very tired and was sweating on the trip

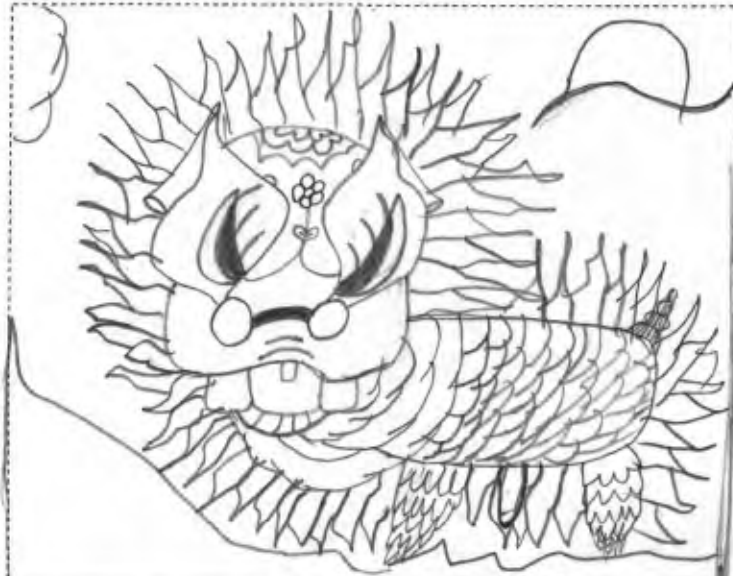

It took an hour long for the trip in the mountain

Finally, she reached to the Abandode temple and saw something big and beautiful

Please stop the wildfire! I am begging you please!

NO IM NEVER GOING TO STOP UNTIL I GET MY GOLD BACK!

Can you please stop! I'm really begging!

I would stop if you can solve my riddle correctly!

It feels like sand,
It's color is like
rubies, It has a
long and green
staff to hold
the ruby...
