

Alice & the

Secret Show

BY: Shyazee

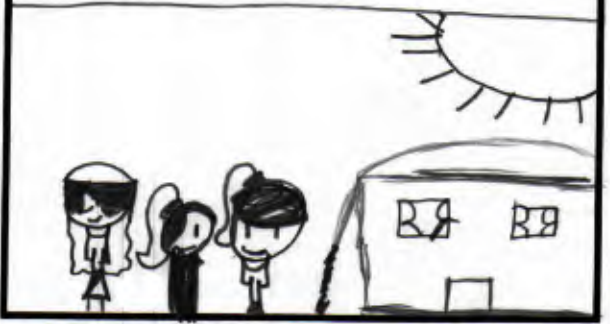

one Day Alice found
a perfect place to live

Alice was a girl
and was 12^{years old} and
she loves selling mshats

Alice lived in a trailer
with her grandmother and
her little sister

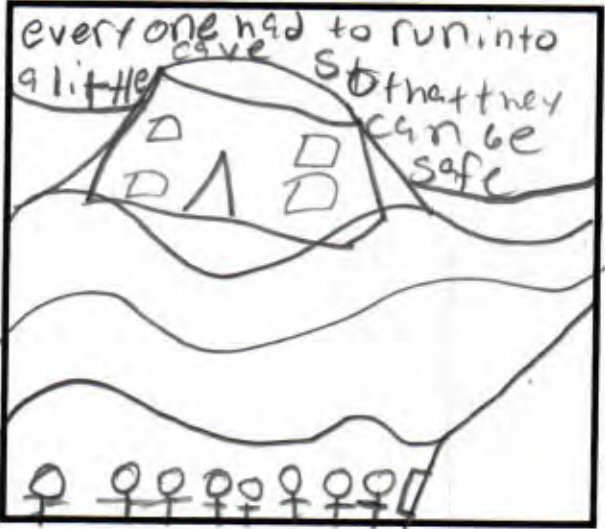

every day she would
go to her shop that she
made

it was good
until one
day

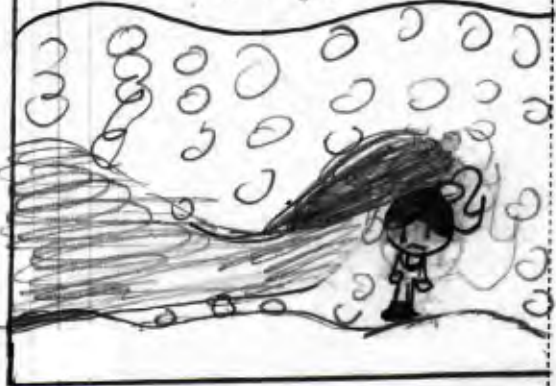

Ali had to dig her self out so that she can go on...

She had to face show in her face bereada in it.

the 2 days were hara

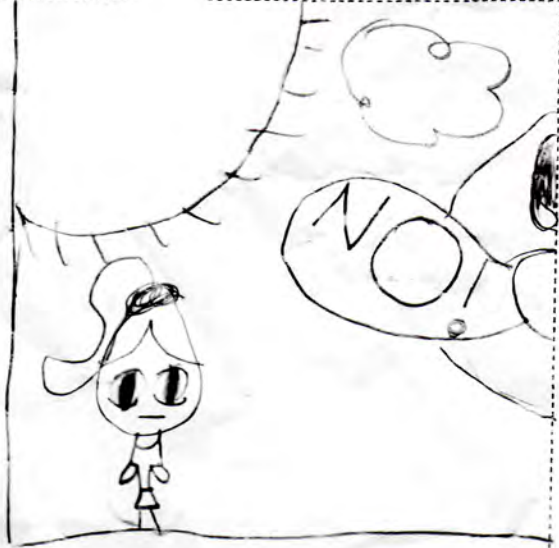

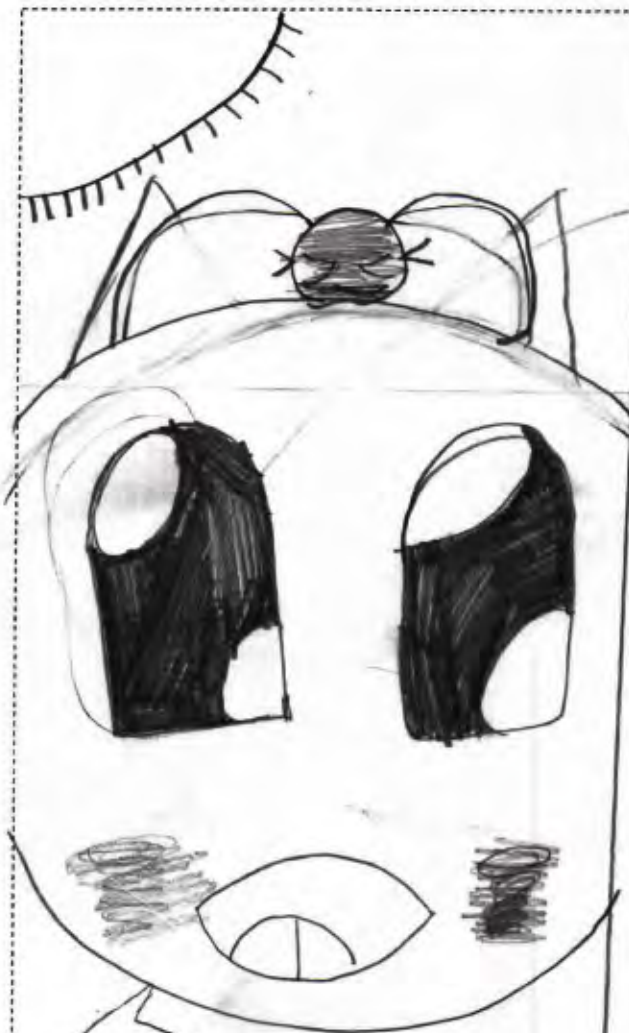

but she made it

Alice went to the last one and she thought

and then she seen...

I am Dark ness
filled with light
and rocks all over
the place But with
Planets and Stars
all over night Dark
sky

is it
night time
but is does
not have
a rocks.

You
don't know
your fact
Shanana

I do
know
my facts
and the
answer
is space.

Alice had solved
the riddle so
now she goes home

I gess
I will see
you some
time after
all again
